Licence number	488155/2
Date of issue	15/09/2023
Date of effect	15/09/2023
Date of expiry	23/10/2024

## Licence conditions

Your licence is subject to conditions set out in the *Radiocommunications Act 1992*. Your licence may also be subject to such other licence conditions as determined by the ACMA (in licence condition determinations) from time to time, and is also subject to special conditions as detailed on this licence.

The conditions that are imposed on a licence vary according to the type of licence issued, the service being operated and the section of the *Radiocommunications Act 1992* under which the licence has been issued. For further information about the conditions that apply to your licence, please contact the ACMA (see contact details below).

### **Rights of appeal**

A decision by the ACMA to impose further conditions or revoke or vary the conditions of your licence may be reviewable. If you are affected by, and dissatisfied with, such a decision you may apply to the ACMA to have the ACMA reconsider the decision under section 288 of the *Radiocommunications Act 1992*.

An application for reconsideration must state the reasons for the request, and should be sent to the Customer Service Centre, Australian Communications and Media Authority, PO Box 78, Belconnen, ACT, 2616. Applications for review of decisions can be made using the R051 - Application for review of Decision form, available on the ACMA website.

### **Important**

An application for the ACMA to reconsider a decision to impose or vary licence conditions must be made to the ACMA within 28 days of the day on which you are informed of the decision. An application for reconsideration made after that time may not be accepted.

## ACMA contact details

Customer Service Centre  
PO Box 78  
BELCONNEN ACT 2616

Telephone: 1300 850 115  
Email: [info@acma.gov.au](mailto:info@acma.gov.au)

ACMA website: [www.acma.gov.au](http://www.acma.gov.au)

Certain information contained in this licence record will be disclosed in the Register of Radiocommunications Licences (RRL), established and maintained pursuant to Part 3.5 of the *Radiocommunications Act 1992*.

## **Special Conditions applying to licence no.: 488155/2**

- (1) The received signal in any area zoned residential (as determined by the Australian Bureau of Statistics data for towns and cities) shall not exceed 48 DBUV/M measured at a height of 10 metres above ground at any location more than 2 km from the antenna.
- (2) The effective antenna height above average terrain shall not exceed 10 metres.
- (3) The licensee must comply with the emission standard for the Australian Frequency Modulation Sound Broadcasting Service.
- (4) This licence can only be used to provide a low-power open narrowcasting service.
- (7) If the licensee receives a complaint, notification or other information to the effect that the transmitter authorised by this licence is causing interference to a broadcasting service provided by another person (Interference Complaint), the licensee must notify in writing:
  - (a) the ACMA; and
  - (b) the person providing the broadcasting service;of the Interference Complaint within 24 hours of receiving it.
- (8) If the licensee receives an Interference Complaint or a notice under condition (11), the licensee must take all reasonable steps as soon as practicable to cause the transmitter authorised by this licence to stop causing the interference referred to in the Interference Complaint.
- (9) The licensee must keep a written record of each Interference Complaint received (whether or not the Interference Complaint was in writing) and of the steps taken by the licensee under condition (8) as a result of an Interference Complaint or a notice under condition (11).
- (10) If an ACMA official (within the meaning of the Australian Communications and Media Authority Act 2005) requests, in writing, a copy of a record kept under condition (9), the licensee must provide the ACMA official with a copy of the record as soon as practicable.
- (11) If the licensee operates a radiocommunications transmitter, an ACMA official (within the meaning of the Australian Communications and Media Authority Act 2005) may at any time give the licensee a notice in writing stating that the operation of the transmitter is causing interference to a broadcasting service provided by another person.
- (12) No interference shall be caused to any Radiocommunication station or service and no protection from interference by such stations or services shall be afforded.

## **Advisory Notes applying to licence no.: 488155/2**

Conditions applicable to the operation of Narrowcasting Service station(s) authorised under this licence can be found in the Radiocommunications Licence Conditions (Apparatus Licence) Determination and the Radiocommunications Licence Conditions (Broadcasting Licence) Determination. Copies of these determinations are available from the ACMA and from the ACMA home page ([www.acma.gov.au](http://www.acma.gov.au)).
